Welcome to Sashiko - an Introduction to the Japanese Art of Hand Stitching

Sashiko (little stab) is the famous white-on-indigo quilted work we associate with Japanese costume of the 19th and early 20th century. Revived in the 1970s, sashiko is once more a beloved craft in Japan and admired around the world. If you've always wanted to try sashiko, this is your opportunity. A kit, provided by the instructor, costs \$22 and contains: 1/2 yd sashiko-printed fabric, traditional sashiko thread, a pack of sashiko needles, a Japanese-style ring thimble or a

traditional western thimble, and written directions for sashiko plus a project for a wall hanging.

Member fee: \$15.00 plus kit fee

Non-member fee: \$20.00 plus kit fee

Two Blocks are Better Than One

If you're the sort of quilter who hates piecing identical blocks, this is the class for you! Multiple-block quilts keep the maker involved and interested in the process. You're never bored when creating with more than one pattern. Learn guidelines for choosing compatible blocks and translate combinations into unique quilts.

Design and cut a wall hanging in class. See samples from Pepper's ground-breaking book on multi-pattern quilts called *Crosspatch* (now available as *Multi-Block Quilts* from Dover Publications.) A \$2.50 materials fee for design handouts.

Member fee: \$25.00 plus handout fee

Non-member fee: \$35.00 plus handout fee
